

ADVANCED SCAFFOLDING STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

You must already hold an intermediate scaffolding licence

2. Access your learning material

You will receive a confirmation email which includes important information and login details for the Online Portal. Here you will access your pre-course material and complete your pre-course quiz.

3. Attend 4 Days of Training & Book into your SafeWork NSW Assessment

Theory, Practical Training & Practical Assessment Preparation. Your assessment date will be held within 14 days, we recommend using this time to study.

Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment(NSA). This document allows you to immediately to erect, alter or dismantle a temporary structure within the scope of an advanced scaffolder.

You will also receive a Statement of Attainment of CPCCLSF4001- Licence to erect, alter and dismantle scaffolding advanced level.

Apply to SafeWorkNSW for your National High Risk Work Licence (SA Class) within 60 days at an Australia Post Office*. Your Photo Licence will be mailed to you directly. Valid for 5 Years.

*Post Office application fees apply.
