

COMBO HEIGHTS + LEVEL I CONFINED SPACE TRAINING WITH GAS TESTING STUDENT JOURNEY

The Working Safely from Heights course covers equipment setup, safe work practices at height, and the identification and management of potential risks.

Our Level I Confined Spaces course equips participants with the skills to conduct risk assessments, safely enter and exit confined spaces in line with authorised work permits, and perform gas testing procedures.

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material
